**IMPORTANT NOTICE****AMA TO VOTE ON ASSISTED SUICIDE POSITION IN JUNE 2018**

The American Medical Associations' (AMA) Council on Ethical and Judicial Affairs (CEJA) has completed its long-awaited report on physician-assisted suicide. The report will be released sometime between now and before the AMA's upcoming 2018 Annual Meeting in **Chicago, Illinois on June 9-13**.

The AMA Reference Committee on Constitution and Bylaws will hear testimony pro and con from AMA members about the CEJA report on **Sunday, June 10**. Only AMA members can testify unless the chair gives special permission.

When the report is released in a couple of weeks, I will send you another email. Please watch for it. It will include the CEJA report and how to post a comment online. Anyone can post a comment. In the meantime, please keep this in your prayers and be prepared to write or call the AMA at that time. We have a wealth of information on our website at www.cnda.org/pas to help you on this issue.

The Reference Committee will prepare a report based on the online comments and testimony given at the June 10 meeting. The House of Delegates will then debate and vote on the report any time after 2 p.m. on Monday, June 11.

The AMA allows [these groups and organizations](#) to be entitled to a seat(s) in the AMA House of Delegates. If you are a member of one of these groups, please consider asking for a seat in the House of Delegates for the June meeting.
